

What is a piggy bank?

The piggy bank is known to collectors as a "still bank" as opposed to the "mechanical banks" popular in the early 20th century. These items are also often used by companies for promotional purposes, and many financial service companies use piggy banks as logos for their savings products.

What are the different types of piggy banks?

Traditional piggy banks may take the actual shape of an actual pig or another animal or object. Others look like round or square containers with fun graphics like princesses and unicorns. These types of piggy banks are especially popular for kids since they're fun, simple and creative.

How to identify a old coin bank as a piggy bank?

These are also the features that can help you in identifying any old coin bank as a piggy bank. All piggy banks, whether still or mechanical, come with a coin slot that can be as small as the size of a single coin or large enough to fit wads of cash conveniently.

What is a piggy bank in Nepal?

A piggy bank, circa 1970. Earthen pots used in Nepal as piggy banks. Piggy bank (sometimes penny bank or money box) is the traditional name of a coin container normally used by children. The piggy bank is known to collectors as a "still bank" as opposed to the "mechanical banks" popular in the early 20th century.

What is the difference between a piggy bank and a still bank?

Still Banks are considered to be the simpler and more straightforward of the two since it contains no moving parts. Most antique piggy banks fall into this category along with other coin banks that depict people, animals, and animated characters.

Does a piggy bank need a coin slot?

All piggy banks, whether still or mechanical, come with a coin slot that can be as small as the size of a single coin or large enough to fit wads of cash conveniently. No matter how old or new an antique coin bank is, it certainly needs a coin slot to be identified as a piggy bank.

Glass Jar Piggy Bank. Possibly the easiest of the ideas for piggy banks is a glass jar piggy bank. Use the pasta sauce jar you can't get the tomato smell from for this idea. Using a glue stick, place glue on a section of the glass. Add small bits of tissue paper to the glued spot.
