While the price may be attractive, our Editors Choice storage boxes didn't leak, and the Ikea 365+ is a similar price to this Sistema container. Go for one of them instead if you're looking for a new lunch box. Read our best cooler bag reviews to find the bags that will keep the lunch in your leak proof food containers chilled for longer.

Doha leak-proof energy storage box

When it comes to size, large, 500L storage boxes are best for big gardens. These will also be useful for storing long items like gardening tools. If you choose a large storage box, look for a model that doubles up as seating as these better utilise garden space. (See here for the best garden storage benches).

ATEX & IECEX - Explosion Proof Certifications Available. Optional red led indicator for heat detector activation signal. Temperature Options: Range 60°C - 385°C with optional guard. Enclosure: Marine Grade LM6 Aluminium, GRP or 316L SS. IP66/67 Ingress Protection with corrosion proof junction box.
