What can I use obsidian Spears for?

You can use obsidian spears and tools in a linked Forest world, and they won't start fires during winter. Good for portable warmth, as well as light during long winter nights and trips to the caves and ruins. As for the hearts, you can use a couple to build a dragoon den and farm more wherever and whenever you want.

Is the Obsidian axe worth it in Don't Starve?

Don't Starve is a game about time, the Obsidian Axe beats the golden Axe in every way here. A player that is only on day 50 or so should prioritize golden tools, but a wealth player who is on day 400+ should be using obsidian axes. The Machete is definitely a waste of time to make. The quacken is the easiest boss in Don't Starve period.
