

What is a floor lamp?

A floor lamp provides you with flexible lighting for your living room or other space in your home. Our guide introduces you to the best floor lamps on Amazon.

Should you use a floor lamp in a living room?

But a floor lamp is much more than just a practical way to brighten up your home; it's also a statement piece of decor and requires a little more forethought and planning than other light fixtures. Your floor lamp will draw the eye to it anytime you're in the living room, but especially when it's lighting up the space at night.

How many shelves does a brightech floor lamp have?

Prices taken at time of publishing. This floor lamp from Brightech has three built-in shelves located below its lampshade, allowing you to store books, knick-knacks, and other items.
