

## Energy storage on-site etf

What is the iShares energy storage & materials ETF?

The iShares Energy Storage & Materials ETF (the "Fund") seeks to track the investment results of an index composed of U.S. and non-U.S. companies involved in energy storage solutions aiming to support the transition to a low-carbon economy, including hydrogen, fuel cells and batteries.

What are some interesting energy storage ETFs?

Another interesting energy storage ETF is GRID, which is focused on alternative energy infrastructure companies such as power management company Eaton Corp. (ETN), industrial conglomerate Johnson Controls International PLC (JCI), and electronics and automation pioneer Abb Ltd. (ABB).

Should you buy an energy ETF?

"The main benefits of owning an energy ETF are not having to guess which company will outperform and reducing concentration risk by owning a broad basket of companies," says Curtis Congdon, president of XML Financial Group.

Should you invest in energy stocks & exchange-traded funds?

Energy stocks and exchange-traded funds (ETFs) have been a popular bet so far this year. While the sector is not the best performer - that distinction goes to communication services stocks - the Energy Select Sector SPDR Fund (XLE) has delivered a healthy total return (price plus dividends) of 8.1%, driving numerous attached energy ETFs higher.

What is the future of energy storage?

The global transition from conventional energy sources to green energy is driving the development of BESS (Battery Energy Storage Systems) technologies and related ETFs. The costs of energy storage are projected to reduce by 66-80 percent by 2030 and the global energy storage market is expected to grow up to 426bln USD.

Which energy storage stocks are a good investment?

Albemar is the top holding, followed by Tesla, so if you can't decide from the previous stocks, this fund is a good one-stop investment to play the pending energy storage boom. With more than \$1 billion under management and about 60 components, this First Trust fund is another interesting and diversified way to play energy storage.
