

Japanese dormitory hot water storage

Are dormitories affordable in Japan?

Rooms in dormitories are the other affordable student accommodation you can get in Japan. The related overall costs are also lower with this type of housing. Some dorm rooms in Japan can come with furniture, electrical appliances and other basic utilities. The same goes with bathroom, which can be common or private.

Do Japanese companies have dormitories?

Although less common these days, some Japanese companies also have company dormitories or living quarters, which are often cheap or subsidized by the company. Dormitories are a good option if you're on a tight budget and want to meet new people in the same situation as you.

Can you rent a room in a dormitory in Japan?

Some dorm rooms in Japan can come with furniture, electrical appliances and other basic utilities. The same goes with bathroom, which can be common or private. Moreover, when renting a room in dormitories in Japan, you don't need any security deposit, renewal fees or gratuity money as it is the case for other rentals.

Are Japanese dormitories good for international students?

Living with friends in a foreign country makes your everyday life an extra bit special. Rooms in Japanese dormitories are smaller than what many international students may be used to. So, it may take some time to adjust to. They are, however, designed in a way that makes efficient use of space.

Why should you choose a Japanese dorm?

Japanese dorms give students the chance to socialize and interact with their fellow dorm mates as often as they like, as well as give them their own spaces where they can have their own privacy. Don't hesitate to socialize and make the most of your dorm life. Compared to other accommodation options, it's easier to make friends in a dorm.

What is a Japanese water boiler used for?

The Japanese water boiler is a great idea as you have hot water available at any time. Most Japanese houses have compact electric water boilers that are used for tea, coffee, and quite often--instant noodles.
