However, if you're looking for a cheaper container for static storage purposes, we recommend purchasing a used 20ft shipping container. These containers have been retired from international shipping after being at sea for an average of 15-20 years and may show evidence of their journey, such as dings, dents, and surface rust.

THE BENEFITS OF Battery Energy Storage Solutions (BESS) BESS technology helps improve energy flow at every stage of the energy transmission chain. It can: reduce generation costs; simplify managing and flattening the load profile; increase grid stability and security (avoiding ...
