Housing in Wellington is becoming less affordable, and there is growing pressure on the Wellington housing market. The city is growing - up to 30,000 new homes will be needed by 2043 - so we must take action, or the problem will worsen. Housing needs to be affordable if all Wellingtonians are to have safe, warm, dry homes that meet their needs.

PO Box 9148 . Deakin ACT 2600 . . Wellington Battery Energy Storage System . Scoping Report . Report Number J210534 RP# ... (AMPYR) proposes to develop the Wellington Battery Energy Storage System along with associated infrastructure (the project), approximately 3 kilometres (km) north-east of the township of Wellington,

MINTO - A company planning to redevelop an energy storage facility in the Harriston Industrial Park is seeking a motion of support from Minto town council. At the Nov. 21 council meeting, Toronto-based Nexus Renewables advised council of its plans to partner with NRStor to turn that company's Harriston energy storage facility into a battery energy...
