But there are ways you can increase your chances of success. The merchant must present "compelling" evidence of the charge. A business can't just say "did too!" to get a charge to stick. Merchants must present "compelling" evidence of the charge, which includes enough documentation to reverse a meritless chargeback.

A charge is sent back up the line from your account to your card issuer to the merchant bank and then back to the merchant, all through the payment network used (such as Visa or Mastercard). This way, a charge is removed from the consumer's account and the issuer is able to "charge back" the cost to the merchant when deemed appropriate.
