

Who will pay for the energy storage rental fee

How is rent determined for energy storage facilities?

Rent for energy storage facilities that are not part of a solar or wind energy development facility will be determined pursuant to the linear rent formula set forth in 2806.23. The BLM may determine your rent pursuant to 2806.70 if we determine the linear rent schedule does not apply.

Do I have to pay acreage rent or capacity fee?

[81 FR 92217, Dec. 19, 2016, as amended at 89 FR 35680, May 1, 2024] 2806.52 Annual rents and fees for solar and wind energy development. You must pay the greater of either an annual acreage rent or a capacity fee. The acreage rent and capacity fee are determined as follows: (a) Acreage rent.

What is an energy storage project?

An energy storage project is a cluster of battery banks (or modules) that are connected to the electrical grid. These battery banks are roughly the same size as a shipping container. These are also called Battery Energy Storage Systems (BESS), or grid-scale/utility-scale energy storage or battery storage systems.

What is a battery energy storage project?

By Michael Klaus, Partner, Hunton Andrews Kurth Battery energy storage projects serve a variety of purposes for utilities and other consumers of electricity, including backup power, frequency regulation and balancing electricity supply with demand.

Should a storage project be paired with a solar or wind power project?

Pairing a storage project with a solar or wind power generation project could allow projects to charge the storage system rather than deliver power to the grid when market prices for electricity are low (or negative) or when electricity that would otherwise be delivered to the interconnection point would be curtailed.

How long do you have to pay rent?

If your annual rent is \$100 or less, you must pay at 10-year intervals, not to exceed 30 years. If your annual rent is greater than \$100, you may pay annually or at 10-year intervals, not to exceed 30 years. (2) Payments by all others. If your annual rent is \$500 or less, you must pay rent at 10-year intervals, not to exceed 30 years.
