Jiangnan Yifan Motor meets you at the 2024 Spring Canton Fair! 2023-12-31. Won the title of Excellent Supplier, Jiangnan Yifan continues to work hard.

Choosing a hub motor or a mid-mounted motor mainly depends on the user's specific needs and riding environment. If you are looking for simplicity, economy and mainly riding on flat city roads, you can consider a hub motor. If you need to deal with complex terrain and value riding performance and efficiency, a mid-mounted motor is a better choice.
